

Indian Music Society of Central Illinois

Invites you to

Barkha

Rains have forever been the lifeline of India. Past the arid and hot summers, the Rains pave the way for a new beginning. The land turns green and the cool breeze is scented with earthen aroma. The Sun and the Clouds play a dancing melody of joy and ecstasy. IMS brings you songs of the Rain to rejoice and celebrate the beauty of these drops of life.

Venue: Blooming Grove Academy, Sanctuary Room
